SOUP KITCHEN “ Mami Elizabeth “

January 2017

Hello everyone, hope that this newsletter, long overdue, finds you all well spiritually, physically and emotionally. Our desire for all of you, as well as ourselves, is that God would guide our paths and uphold us in our efforts to glorify His name.

With this short note, we send our warmest greetings and our Best Wishes, that your lives as well as ours will be Blessed by the Presence of Our Lord and Savior Jesus Christ, throughout 2017 and beyond.

The LORD bless thee, and keep thee:

The LORD make his face shine upon thee, and be gracious unto thee:

The LORD lift up his countenance upon thee, and give thee peace.

Numbers 6:24:26

The year 2017 will no doubt be a year of continuing challenges for all of us, with recurring health, labour and financial problems to resolve. We would like to bring to your attention the youth of the soup kitchen and our small Christian congregation “Pure Word Evangelical Christian Church”, known here as “Iglesia Palabra Pura”. Many of our older teenagers have terminated their secondary schooling this year 2016, and are now in the dilemma as to what direction their future will take, with new challenges regarding financing further education to prosper their future careers. One example is Mariluz, who has been with the soup kitchen since our first day. She is now 20 years old and just finished her secondary school education this December 2016. (as I write it is early hours 1January 2017, last night we celebrated new years as part of our regular church meeting with the youth of the soup kitchen). Please pray especially for Mariluz, Katy, Sendy, Jaci, Leonela, Lesly, Yordy. Roly and Ronal, who have all now finished school and are now embarked on the next step of their lives. We would dearly love to help them with finances for further education, but presently our funds are very limited. These youngsters along with all who assist in our small church congregation are a great blessing to me personally as their Pastor, as I see their spiritual growth and know that God is working in their lives. We all know as christians, that the world sees our spiritual wisdom as something to be derided, but I see that God also improves the human intelligence of those that seek his face.

All of the adults who assist us, both in the soup kitchen and in the church as Sunday school teachers, Rosa’s mum Sofia, her sister Esther and Rosa herself, are all suffering continued health problems, but as valiant soldiers, they continue to march with Christ. Personally for me the year 2016 had various health problems caused by a strong parasitic attack on my intestines which left me feeling weak for most of the year.

Thankfully the problem was detected by the doctor, who gave me strong drugs to combat the problem. Now in 2017, I feel again a new lease of life and along with everyone else in this small mission, will continue forward to where God will lead us.

Please pray also that we would have additional Sunday school and soup kitchen teachers in this new year, as the children are growing intellectually and physically, and need to be separated into groups according to their ages and abilities.

With regards to our Bible Camp in Yungar, the year 2016 saw almost no progress, except for a little tidying of the grounds. Hopefully in 2017 there will be some funds available from my maturing pension pot in Scotland, to advance the Project a little further. Even although the bible camp is not fully finished, we will receive a group of around 120 christian youths from various churches in the capital city of Lima, who are coming to use the facilities in February of 2017. Please pray also for this Project, as we see it being of great blessing to those who want to see God’s name glorified.
